This plan supplements Original Medicare and only applies to items and services covered by Original Medicare. This is only an outline describing the plan's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company. This policy may not fully cover all medical costs. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare & You* for more details. Your premium can increase only if we raise the premium for all similar policies in New York State.
